G. O. P. LEADERS IN TULSA THIS WEEK; BIG TIME

Governor Newton W. Gilbert Here Monday; Fairbanks Wednesday.

COUNTY COMMITTEE IN A BUSY SESSION

Elect Delegates to State Rally; Young Republicans to Meet.

Republican Events This Week.
Monday—Luncheon for Newton W. Gilbert at Hotel Tulsa.
Tuesday—State-wide rally at Oklahoma City.
Wednesday—Reception for Charles Warren Fairbanks at Hotel Tulsa in forenoon.
Friday—Organization of Tulsa Young Men's Republican club.

THIS is going to be a big week for the Republicans of Tulsa county.

At yesterday's county convention in the courthouse it developed that the national, state and local campaign is to open this week in Tulsa with men of world-wide fame as speakers.

Tomorrow Newton W. Gilbert, for four years lieutenant-governor of Indiana and for eight years governor of the Philippines, succeeds William H. Taft, will be in Tulsa. He comes as a representative of Fred W. Upham, assistant treasurer of the Republican national committee. A luncheon will be given in his honor at Hotel Tulsa Monday at 12 o'clock and all Republicans and especially the business men of the city regardless of politics, are invited to attend. He is one of the nation's most fluent public speakers.

Tuesday the state-wide Republican convention will be held at Oklahoma City. Fifty or more delegates from Tulsa will attend, headed by a brass band.

Wednesday Charles Warren Fairbanks, candidate for vice president, will spend the forenoon here. A nonpolitical reception in his honor will be held at Hotel Tulsa and it is probably that he will deliver a brief address at noon.

Friday night a young men's Republican club will be organized at a meeting to be held in the offices of R. W. Kellough, chairman of the congressional committee, in the Palace building. It will become affiliated with the Oklahoma State League of Young Republican clubs.

In spite of the fact that township fairs were held throughout the county yesterday nearly all members of the county committee, all of the candidates and dozens of workers and party members attended the convention in the district headquarters. It was preceded by an hour's meeting of the committee, during which time arrangements were made for the Fairbanks reception.

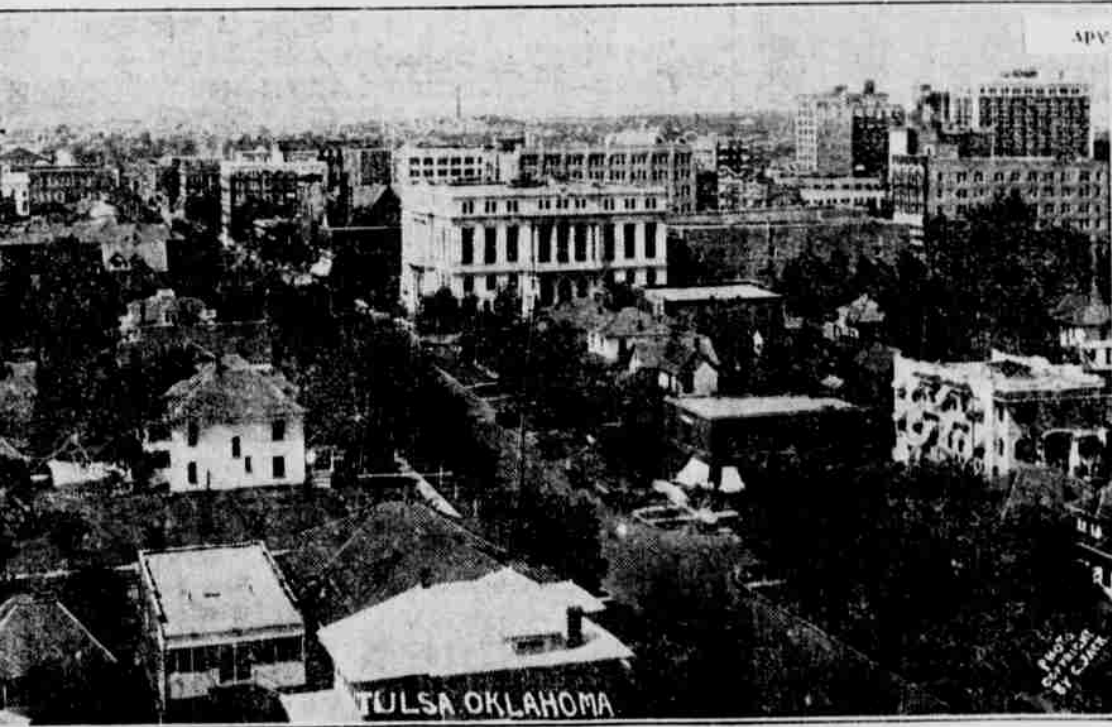

Curiously enough both Mr. Fairbanks and Governor Gilbert are from Indiana, while A. A. Small, chairman of the county committee, received his political baptism of fire in the same state. It was decided to begin a public reception for the former and future vice-president Wednesday morning at 10 o'clock. The public generally is invited to attend.

Young Men Active.
A committee of five was appointed to arrange for the organization of a young men's Republican club. Plans for the county campaign were discussed, and it was unanimously decided to begin active organization work through the present committee members immediately. Plans were made for having the candidates call on as many individual voters as possible. Speaking tours will be arranged and national characters will be sent to the county to assist. Many prominent local men who are not candidates have also consented to speak. Challenges will be issued to Democratic speakers to engage in a joint campaign.

The mass meeting started at 3 o'clock with Senator Jones, formerly of Sapulpa, as chairman and J. M. Adkinson as secretary. More than fifty delegates were named to represent this county at the state convention in Oklahoma City Tuesday, at which time a platform will be adopted and Charles W. Fairbanks will deliver his first address of the campaign. Other names will be added to the list of delegates before Tuesday. A committee consisting of Glenn Condon, A. D. Young, G. R. McCulloch and J. W. McKnight was authorized to make arrangements for taking the Tulsa band to the capital.

The committee in charge of arrangements for tomorrow's luncheon in honor of Governor Gilbert consist of Eugene Lorton, C. B. Rogers, A. A. Small, J. H. McElroy and L. W. Nixon.

THE NEW BUSINESS SKY LINE OF TULSA FROM CATHOLIC CHURCH

The above photograph, taken from the steeple of the Catholic church at Eighth and Boulder last week by Clarence Jack, Tulsa's premiere view photographer, is published today for the first time. It shows the new skyscraper recently erected. Four months from now several other buildings, each from five to ten stories in height, will have been completed. Then another birdseye view will have to be taken. In this photo can be seen the courthouse, the Elks club, the Unity building, Hotel Tulsa, Galala building, Pioneer telephone building, Daniel building, Drew building, Clinton building, Ketchum hotel and many others.

NEGOTIATIONS OFF IN MINE DISPUTE

Disagreement Reached in Subcommittee of Coal Miners and Operators.

THREATEN TO STRIKE

Miners Preparing Ultimatum Affecting Workers in Entire Southwest.

KANSAS CITY, Sept. 9.—A disagreement was arrived at early tonight in the subcommittee of coal miners and operators negotiating wage and working contracts for the 35,000 miners of the southwestern districts, according to statements of members of the committee. The miners' confederates declared that although the operators had conceded some points on section 4 of the working conditions, the question in dispute, the concessions did not give the relief the miners believed they should have. All concessions were refused and the meeting broke up with the miners entering a disagreement report.

Alexander Howat, president of the Kansas miners, tonight declared the ultimatum of the workers will be presented to the operators at a meeting of the general conference Monday.

SERIOUS CHARGES MADE AGAINST MAN

City Detectives Get Vagrancy Count Boosted to Housebreaking Charge.

Detectives Walter Overby and Grant Pitkin arrested Slack Robinson yesterday on a charge of vagrancy and, following the trial in the police court yesterday, turned the man over to the county authorities on a charge of housebreaking. Robinson, a resident in the block bounded by Detroit and Elgin avenues and by Eighth and Ninth streets have been troubled by some prowler who entered their houses and searched for money. Only a few dollars were taken from a total of eight houses.

MAINE'S LAST CAMPAIGN DAY IS A HOT ONE

Republicans Hurl Defiant Democrats to Defend Tariff Program.

REPUBLICAN VICTORY BY MANY THOUSAND

Theodore Roosevelt Bitterly Assails Wilson and Foreign Policies.

PORTLAND, Me., Sept. 9.—The state campaign closed tonight after a total of 282 set speeches had been crowded into the final 24 hours. One hundred meetings were addressed by men whose national prominence assured a packed house. Supplementing this unprecedented volume of oratory were brass bands, red, fire, organized cheering and a revival of old time torchlight parading.

Presidential Candidate Charles E. Hughes at Rockland, United States Senator William E. Borah of Idaho at Augusta, former United States Senator Theodore Burton of Ohio at Portland and Medill McCormick, Progressive of Chicago at Booth Bay harbor, appeared on the concluding Republican campaign.

Tonight both sides claimed the election—the Democrats by a plurality of 3,000, the Republicans by 15,000. Not before in recent years has so determined an effort been made to make a showing on the country at large which expects to find its political pulse in Maine's vote on Monday. Local speakers emphasized state issues and the personalities of candidates, but the big speakers from other states either have attacked or been employed in defense of the administration of the only Democrat to receive Maine's electoral vote since Franklin Pierce was elected president in 1852.

An eleventh hour development was the shifting of the Republicans' attack from the administration's tariff policy to the tariff question. At the campaign opening Republican speakers, notably Theodore Roosevelt, bitterly assailed the president's conduct of international affairs.

Mr. Hughes today launched an attack on the administration's shipping bill which he described as a menace to American shipping. Maine always has been a protection state and her shipping interests are great. There was a disposition in both parties tonight to hedge when it came to giving the exact figures of the vote that would be tried. Judge Crump is well known for his manner of expediting court procedure and it is expected a record will be established.

Cases set for hearing tomorrow are that of Roy Manning, charged with assault with intent to kill; Arones (Geromino) Harris, murder; W. B. Kohlman, murder; James McKinnis, forgery, and a man named Pickens charged with grand larceny.

SUFFRAGE DELEGATES TAKE NEUTRAL STAND

NATIONAL AMERICAN WOMAN SUFFRAGE CONVENTION ADOPTS DECLARATIONS.

"Adherence or Hostility to Any Party Is to Be Condemned," Is Reply.

ATLANTIC CITY, N. J., Sept. 9.—The National American Woman Suffrage association convention, in its declaration of principles, adopted a declaration of principles in which it reiterated its adherence to the policy of nonpartisan suffrage. Adherence of hostility to any party, the declaration said, to be condemned.

The most significant result of the recent work of the association, the declaration says, is that every political party has put woman suffrage in its platform and that every presidential candidate has expressed himself for it.

One of the resolutions accompanying the declaration of principles, all of which were adopted, declared that the suffragists "that for the first time a president of the United States has publicly declared his belief in woman suffrage." Delegates questioned the accuracy of this statement and asked if John Quincy Adams, Abraham Lincoln and Theodore Roosevelt had not endorsed suffrage, but the historians among the delegates agreed that the candidate has expressed himself for it.

TO MAKE PROTEST BY VIGOROUS STEP

Remarks of Lloyd George May Be Basis for Relations.

MAY FORBID EXPORTS

No Surprise at Remarks of British Minister That no Change Will Come.

WASHINGTON, Sept. 9.—Any proof that Great Britain is using trade information secured from intercepted neutral mail in her struggle for commercial supremacy probably would be followed by vigorous steps by the American government to secure abandonment of the policy.

A statement made during a tariff debate in parliament recently by David Lloyd-George, the British premier, that such information properly could be put to "any public and national use" is regarded by officials here as opening the way for practices which would work inevitable injury to American interests.

The state department declined to make any comment pending a full investigation of the exact meaning of the war secretary's declaration, there were any evidence that the policy he suggested was viewed as unimportant in international law.

Discussion of the subject brought out the suggestion that although the United States is a signatory of the American mail, cable, telegraph and express privileges to citizens of foreign countries interfering with American mails was stricken out of the retaliatory legislation recently proposed by congress, the measure as enacted contains authorizations which might be construed as broad enough to allow the president to retaliate against unfair use of the censorship.

No surprise was felt here today at the statement of Lord Robert Cecil, British minister of trade, that "it is not likely that Great Britain will change her blacklist policy at the request of the United States." Officials did not expect enactment of the retaliatory legislation to be met by any announcement of concessions by Great Britain, but rather a modification here and a slight change there, till the whole trade situation had been eased up and softened to remove the most threatening of America's objections.

CHANDLER CAMPAIGN IS BOOMING A LONG

Eight Counties of the First District Already Fully Organized; Headquarters to Be Opened Here.

The election of Bert Chandler for congressman from the First district is as certain as can be. This was the news brought to this city yesterday by S. E. Wallen of Vinita, who is in charge of the vigorous campaign which was opened immediately after the district had named its choice.

In company with R. W. Kellough, congressional chairman of the First district, Wallen has appeared at organization meetings in Creek, Ottawa, Delaware, Mayes, Rogers, Nowata, Pawnee, Washington and Tulsa counties and perfected campaign plans for the Republican candidate.

This week's campaign will be thoroughly covered by the two men and the campaign officially opened. According to Mr. Wallen, campaign headquarters for Chandler will be opened in Tulsa some time between September 25 and October 1 and both he and Kellough will remain in active charge.

Call Off Crises.
WASHINGTON, Sept. 9.—With the announcement that the "Join Paul Jones cruise" on which twenty-five hundred civilians had been sailing since August 12 had been highly successful, orders today were issued by the navy department terminating the training.

BRITISH GAIN OVER GERMANS IN LEUZE WOOD

French, Too, Have Taken Line of Trenches in the Verdun Sector.

AUSTRIANS DESTROY FORTS AT HALICZ

Russians, on Left Bank of the Dniester, Bombard Retreating Austrians.

BRITISH troops have been engaged in the heaviest kind of fighting along a three and one-half mile front on the Somme, extending from High wood to Leuze wood and have captured Ginchy, which lies almost directly north of Comblis, and all the ground between Ginchy and Leuze wood. In a front of more than a quarter mile the British have captured hundreds of yards of high wood and northeast of Pozieres captured six hundred yards of German trenches. In these engagements the German casualties, according to the British official statement, were extremely heavy.

Take Whole Sections.
Likewise the French, forcing the attack in the Verdun sector, captured a whole section of German trenches east of Fleury, the assault here being characterized by the French war office as a brilliant action.

Fighting on three fronts, the Russians have dealt a heavy blow at the armies of the central powers. In Dobruja, or southeastern Rumania, Rumanian troops, aided by Bulgarians, have driven the Bulgarians from the fortified town of Isardik, or Dobrich, which was captured by the Bulgarians on September 4. The Bulgarians also were forced to evacuate another town in Dobruja.

TO BUILD NEW ROAD THROUGH W. TULSA

County Commissioners Decide to Rush Construction of Highway.

The county commissioners in a recent session decided to build a new road from the West Tulsa side of the new bridge across the Arkansas river to the town of Red Fork. The county has agreed to pay half of the cost of the improvement. The new road will be fifty feet wide through West Tulsa.

The construction on the new road will necessitate the condemning of several lots in West Tulsa and a large amount of land to the south of the town. The money for the road will be paid for in part by the funds obtained from the Frisco railroad through the sale of the present road-way.

At a conference between Cyrus Avery, chairman of the board of county commissioners, and the city engineer, the commissioners of city and the city attorney it was decided to make all haste possible in the construction of the new road. The road when built will be straight and smooth, and will be the main artery of travel from Tulsa to the south-west and the city of the state lying to the southwest.
